Key Registration Terms and Definitions

Adding a Course: Courses can be added anytime on or before the date listed on the Academic Calendar as “Last Day to add classes and drop classes with 100% refund.”

Dropping a Course: This term applies to the complete removal of a course from a student’s permanent record. This can be done through student’s WebConnect account or by contacting the Advising Center on or before the “Last Day to add classes and drop classes with 100% refund.” Dropped courses will not appear on the student’s transcript. If a student notifies the Advising Center after this date, the course will be considered a withdrawal, and will remain on the student’s permanent record with a grade of “W”. The date students request the withdrawal will determine whether there is any payment refund.

Never Attending: In the week after add/drop, instructors must report students who have never attended (never participated for online classes) per regulations of the Department of Higher Education. Students who never attend will be dropped from the class and charged 50% of the cost of the class. Students who change plans and decide not to take a class, should drop the course during the add/drop period on the academic calendar in order to not be charged for the course. The course will not appear on the student’s transcript. Financial aid may be reduced to reflect the reduction in active credit hours.

Stopping out: Instructors are also required to report students who stop attending at any point prior to the last day to withdraw, as noted on the academic calendar. It is the students’ responsibility to communicate with faculty regarding all absences/missed assignments. Students who are reported as “stopping out” will earn a grade of “F” and be charge 100% of the cost of the course. Financial aid may be reduced to reflect the reduction in active credit hours.

Course Withdrawal: Students CANNOT withdraw on WebConnect. In order to be considered as withdrawn from a course, a student must be withdrawn through the Advising Center on or before the date listed on the Academic Calendar as “Last Day to Withdraw.” If these requirements are met, the student will receive an automatic grade of W. There is a 50% refund period for withdrawals listed on the academic calendar. All withdrawals after the 50% period have no payment refund – students will pay the full price of the course.

Please note that dropping, never attending, stopping out, and withdrawing from courses may affect your financial aid award/eligibility.
