## Registration, Finals and End of the Semester Events

### PREPARING FOR FINALS

Final exams are the epitome of the college experience. Avoid the stress usually associated with final exams by following these simple tips:

-Each class is allotted a two-hour block to give a final exam or presentation; therefore, final exams receive a separate schedule that may not mirror your class schedule. It is your responsibility to plan accordingly.

-MWCC will post the final exam schedule on iConnect. Check the final exam schedule for time, date and location for all of your classes. We also keep a hard copy in the TRIO complex for students to review.

For more tips on finals – check your **Visions Program Weekly** eletter every Thursday morning.

### FALL 2015 GRADES

Final grades will be available on the afternoon of December 28. To check your grades, log into iConnect, click on the WebConnect icon, go to Student and Financial Aid tab and scroll down and select Final Grades.

Turn this page over to see our November and December calendar and check out our additional handout on registering for the spring 2016 semester!
