May 7 Final Exams begin
May 13 Last day of evening classes
May 18 Rx & Visions Programs Awards Ceremony
May 20 Graduation

TRIO Annual Awards Ceremony

Monday, May 18, 2015
12 p.m. – 2 p.m.

The Rx and Visions Programs will be hosting an Annual Awards Ceremony and Luncheon to celebrate the accomplishments of our students. Students who have been nominated by staff will be awarded certificates of recognition in several categories.

In addition, the Rx Award (for a returning student) and the President’s Award (for a student graduating and/or transferring to a four-year school) will also be presented at the ceremony. Invitations will be mailed to all Rx students. Please respond at your earliest convenience to allow us time to make appropriate arrangements.

We are looking forward to seeing you at this very special event!
TEAS Strategy Review
Planning to apply for the PN or RN programs and still need to take the TEAS? TEAS Strategy Reviews will be held on April 14 and April 30 from 12:30 p.m. – 1:30 p.m. in room L072. Learn the strategies for taking the test. Please sign up in advance on Catherine’s door, room 154.

TEAS Online Study Program
The TEAS computer-based study program enables students to review the subject areas and take both practice and mastery tests. The program helps you identify the subject areas on which you should focus. You must sign up with an Rx Program staff member to use the program.

Read your MWCC email during the summer!
MWCC offices will send important updates and reminders about your classes, financial aid and other college-related news.

Have your own health insurance? Waive the college insurance!
If you have your own health insurance, you may be eligible to waive the college insurance. The online waiver is typically available by July 1 and should be completed prior to the start of fall classes. To waive the college insurance, go to: mwcc.edu > QuickLinks > Waive Insurance > Student Waive

Keep your mind active! May we suggest:
- Read
- Write
- Play
- Take a class
- Mentor someone interested in becoming a college student
- Study for and take the TEAS
- Research the current trends in your career field
- Work
- Volunteer
- Learn a new computer skill
- Research the origins of your town and explore its historic sites

Remind Me!
Remind is an online program that allows teachers all over the country to instantly communicate with students and parents via text messages. Many teachers use Remind to send out assignments, supplemental instruction and important reminders.
The Rx Program has a Remind account to ensure our students are receiving updates on various things such as seminars, workshops, events and other happenings at MWCC. If you are interested in receiving text alerts, please send a text message to 81010 with the following message @rxpr.

SUMMER SESSION DATES
Maymester May 18 – May 29
Full Semester June 1 – August 13 (August 20 for 4-credit lab sciences)
