Satisfactory Academic Progress (S.A.P.)

**GOOD STANDING**

- **67% course completion rate**
  Earn 2/3 of credits attempted
  Note: "W," "F," and "I" are attempted but not earned

- **2.0 GPA**
  "C" or better average

- **150% time frame**
  Graduate within 150% of required credits
  Example: If your degree requires 60 college level credits, you are permitted up to 90

**WARNING**
You will be placed on financial aid warning for one semester if you are below in any of the three requirements. Students can still receive financial aid while on warning. You will be placed on academic probation for one semester if you fall below a 2.0 GPA.

- Get tutoring on any campus or via iConnect
- Meet with an advisor to create a plan
- Stay in touch with your professors and ask questions in class

**SUSPENSION**
Students are financially suspended if their course completion rate, GPA, or time frame is not met for more than one semester. Students are academically suspended if their GPA falls below a 2.0 for more than one semester.

- Attend a workshop to submit an appeal
- Check email and postal mail regularly for decision (10 day wait for each department)
- Work with the Advising Center to create a reinstatement plan if approved
