**SEATS ARE LIMITED. CALL TODAY TO REGISTER FOR AN  
INFORMATION SESSION. FULL SCHOLARSHIPS AVAILABLE!**

**978-630-9569**

## Have you been job seeking and run out of options?

- Manufacturing accounts for nearly 25% of the entire payroll for North Central Massachusetts, employing over 14,000 people in the region.
- The demand for workers continues to grow as a result of new opportunities and an aging workforce.
- This training program has been vetted by industry and provides industry-recognized credentials to successful graduates.

## Let us help you train for and land employment in a clean, high-demand manufacturing occupation today!

Mount Wachusett Community College, Devens Campus, is offering training in Medical Device/Advanced Manufacturing. Programs provide students training in skills required for entry-level employment as technicians in manufacturing, validation, quality control, documentation, process operations, and more.

### CLASSES BEGIN:

**JANUARY 27, 2014, Monday-Thursday, 8:30-4:30pm**

**(6 weeks, 180 hours)**

If you are having trouble finding work because you need new skills and credentials, and are willing to demonstrate your desire to work—this may be the answer!

- Classes held at the Devens Campus.
- Accelerated format allows you to complete your credentials quickly.
- Entry-level positions in high demand employment, with demand expected to remain strong.
- Tutoring and job search support available.

Massachusetts Community Colleges and Workforce Development Transformation Agenda (MCCWDTA) is 100% funded by a \$20 million grant from the U.S. Department of Labor, Employment & Training Administration TAACCT. Grant Agreement #TC-22505-11-60-A-25.

AA/EEO Institution: If you have a disability and may require accommodations to participate fully in the program, please contact the program director to discuss your specific needs. In some cases, a two week notice may be necessary.
