144,000 hrs of experiential learning
which includes volunteerism, community service, & internships

MWCC provides service and support to 250+ Military Service Members, National Guard, Reservists, Veterans and their families
MWCC was the first in the state with an approved Honors Program.

MWCC’s two 1.65 MW turbines produce 100% of our energy while also returning energy back to the grid.

MWCC has awarded over $82.6 million in financial aid since 2010.
GET AHEAD: Dual Enrollment for high school juniors & seniors

MWCC administers several College Access and Preparation Programs which provide middle school and high school students, as well as adults, with an array of academic, college, and career awareness services including dual enrollment, MCAS remediation, academic and career counseling, tutorials, workshops, and activities. Several annual events and activities designed for students and parents are open to the public. For more information visit mwcc.edu/access/programs.

Transfer to another college or university

Save thousands by getting your start toward a bachelor’s degree at Mount Wachusett Community College. We maintain several transfer agreements with both public and private colleges and universities to make transferring easy. With MassTransfer, 2+2 and 3+1 programs, you could receive discounts toward your bachelor’s degree and/or take some of you bachelor's degree courses at MWCC. For details, please visit mwcc.edu/advising/transfer.

“We work hard to turn dreams into reality.” “We work hard to turn dreams into reality.”
