Transfer Agreements

MASSTRANSFER
Earn your associate degree at MWCC and then benefit from guaranteed admission, full transfer of credit, and a tuition discount to certain bachelor’s degree programs within the Massachusetts public higher education system based on final GPA. For a complete listing of approved degree programs, visit mwcc.edu/advising/transfer.

2+2 AGREEMENT
The 2+2 agreements are partnerships established between MWCC and participating colleges and universities. After completing an associate degree at MWCC, you may enter as a junior at any participating college or university to pursue your bachelor’s degree. Visit mwcc.edu/advising/transfer.

3+1 AGREEMENT
MWCC and participating colleges and universities allow you to earn up to 90 credits before transferring for your senior year into a 3+1 bachelor’s degree program. Participating schools include Massachusetts College of Pharmacy and Health Sciences, Nichols College, Regis College, and more.

MWCC offers many additional transfer opportunities. Please visit mwcc.edu/advising/transfer for more information.
