YOUR STUDENT VISA

In order to enter the United States to study, an international student will need a visa, usually either an F-1 or M-1, or a Student Visa. To obtain the necessary visa, the applicant must submit a valid Form I-20 for an F-1 visa, or a Form IAP-66 for a J-1 visa, to the United States Embassy or Consulate in his or her country. In addition to these forms, the applicant will have to present a passport, evidence of financial support, acceptance letter, and proof of intent to return to his/her home country.

Mount Wachusett Community College is authorized to issue the Form I-20. The Office of Admissions will send the Form I-20 to the applicant after he or she has submitted all required academic documentation, has submitted evidence of financial support, and been academically accepted. The I-20 is only valid for the semester for which admission is offered.

Applicants entering the United States on a visitor's visa (B-1/B-2) without the "Prospective Student" classification, which is issued only in exceptional circumstances, will find it very difficult to change to student classification. Students unable to change their status from "visitor" to "student" while in the U.S. may not be permitted to continue in school and risk forfeiture of their tuition. Responsibility for obtaining approved visa classification rests entirely with the student.

STUDENT AND EXCHANGE VISITOR PROGRAM (SEVP) SEVIS FEE

The \$200.00 SEVIS fee may be made in the form of check or by credit card online to SEVIS. The Student Exchange and Visitor Information System (SEVIS) is the database that allows SEVP to track international students, exchange visitors and their dependents to ensure that they are in the United States for the purposes they stated. SEVP website: <http://www.ice.gov/sevis>

ACADEMIC RECORDS

All documents in languages other than English must be accompanied by a certified literal English translation. All documents submitted for review must be official, that is, they must be either originals or copies certified by authorized persons. A "certified" copy is one that bears an original signature of the registrar or other designated school official, an original impression of the institution's seal, or signature/seal of the examining board. Uncertified or notarized copies are not acceptable. All documents from outside of the United States must be evaluated to U.S. standards through a credential evaluating agency. A partial list of agencies can be found at naces.org.

SECONDARY SCHOOL RECORDS

International applicants are eligible to apply for admission to Mount Wachusett Community College if they have completed the equivalent of an American secondary school education (approximately twelve years of formal education starting at age six) and have the appropriate diplomas or satisfactory results on leaving examinations. Secondary school records are required for both new and transfer applicants. Transcripts of course work and grades are required for four years of secondary school study. Records should list subjects studied each year and the mark or grade of proficiency earned in each. A key to the marking system with minimum passing mark should be included. If you complete secondary school in a country where a secondary school leaving examination (GCE, GCSE, CXC, French Baccalaureate, Abitur, etc.) is administered, you will be required to provide the results of the examination. All documents in languages other than English must be accompanied by a certified literal English translation and, if completed outside of the U.S., evaluated to U.S. standards through a credential evaluating agency. A partial list of agencies can be found on the web at naces.org.

POST-SECONDARY RECORDS

If you attend a post-secondary institution outside the United States, we require official transcripts which include all subjects studied each year and the grade/mark earned in each subject. A key to the marking system with minimum passing mark should be included. In addition, we require course descriptions of all classes you have taken and intend to take up to the semester in which you hope to enroll at Mount Wachusett Community College. If descriptions are not available, please provide 3- 5-sentence descriptions of each course. Include the content, scope, and credits/number of hours for each course or the number of hours per week, and the number of weeks per semester. All documents in languages other than English must be accompanied by a certified literal English translation and, if completed outside of the U.S., must be evaluated to U.S. standards through a credential evaluating agency. Agencies can be found on the web at www.naces.org. If you attend a post-secondary institution in the United States, official transcripts should be sent directly from the institution to Mount Wachusett Community College.

ENGLISH PROFICIENCY

All international applicants are required to submit proof of proficiency in the English language. Test of English as a Foreign Language (TOEFL): A minimum score of 500 on the paper-based exam or a minimum score of 173 on the computer-based exam or a minimum score of 61 on the internet-based exam. TOEFL scores are valid for two years from the application deadline of the term to which a student applies. Original results of the TOEFL must be sent directly from the testing agency to Mount Wachusett. To obtain TOEFL information, write to: TOEFL, Educational Testing Service, Princeton, New Jersey, 08541

OR

International English Language Testing System: A minimum score of 5.0 is required. IELTS scores are valid for two years. Original results of the IELTS must be sent directly from the testing agency to the Office of Admissions at Mount Wachusett Community College.

ENGLISH PROFICIENCY (CONT'D)

TOEFL or IELTS scores will not be required from an international applicant, if:

1. English is the native language of the applicant's country of citizenship, or
2. The applicant has successfully completed at least one full semester of English composition (not developmental or remedial) at a United States college or university and received a grade of "C" or better, which is confirmed by an official transcript.

AFFIDAVIT OF SUPPORT AND FINANCIAL STATEMENT

Financial assistance from Mount Wachusett Community College is not available to international students. For general information about financial assistance, students may request the booklet "Financial Planning for Study in the United States" from the U.S. Information Agency or binational advising center in their home country.

International students pay the same tuition as out-of-state domestic students. Please consult our website (www.mwcc.edu) for current out-of-state/International student rates for the academic year you are applying. The expenses listed below do not include travel expenses to and from Massachusetts and are considered reasonable minimum estimates for students. If a student is accompanied by family members, add \$4,500 for spouse and \$2,500 for each child. Additional Affidavits of Support must be completed for each family member. This estimate represents the amount you will be asked to prove you have available when you apply for a visa.

Estimated Expenses for an F-1 student for one Academic Year (US Dollars)

Tuition and fees for one academic year (approx 24 credits)	\$10,158	Students planning enrollment in summer/intercession courses should add \$2,500 to 3,500 for tuition/fees. Please note that this is only an estimate and is subject to change without notice. *This includes 12 month student health insurance coverage with supplemental health/accident insurance.
Room and Board for nine months	\$7,400	
Universal Health Insurance (mandatory)	\$1,712*	
Books and Supplies	\$1,200	
Miscellaneous	\$3,700	
Total:	\$24,178	

Before the Office of Admissions can issue the Form I-20 for use by applicants in obtaining a visa, it must have proof that applicants have sufficient funds to study for one year with a reasonable expectation that the funding will continue for the full course of study. The information requested on the enclosed Affidavit of Support and Financial Statement is required by the U.S. Immigration and Naturalization Service and by U.S. consulates to ensure the financial stability of persons admitted to the U.S. as students. You should not plan on supplementing your financial support with employment because there are very strict limitations on the employment of international students in the U.S.

The Financial Statement must be accompanied by supporting evidence (in U.S. dollars), such as originals of: notarized bank statement in the applicant's name; a scholarship award letter from a foundation, agency, or government; a notarized letter from an individual sponsor indicating the intention to provide support for the specified amount and which is accompanied by a bank statement showing the ability to do so. We recommend that you retain duplicate copies of the Financial Statement and supporting evidence to facilitate your dealings with the U.S. consulate and/or the U.S. Immigration and Naturalization Service.

TRANSFER APPLICANTS

Transfer applicants must submit all documentation required of new applicants, plus the following:

- a completed "Transfer of I-20 Authorization Form" signed by your current college/university (attached).

QUESTIONS & ANSWERS

Can I get credit for college courses I took at a college in my country? How?

Yes. You can get credit for courses that are equivalent to our courses. You will need to first have your transcripts translated and evaluated by an outside credential evaluating agency, then submit the official documentation to us for transfer credit.

How/Where do I have my transcripts translated and evaluated?

There are many outside agencies that translate and evaluate transcripts. You can obtain help from the embassy/consulate or you can find a list of agencies on the Internet at naces.org.

Do you have on-campus housing?

No. You will need to make your own arrangements for housing.

When will I get my Form I-20?

Once we receive all required documentation, your file will be evaluated by the Office of Admissions. If you meet the minimum admissions requirements and are applying to an open enrollment major, you will be issued your I-20.

What if I am applying to a selective program (Nursing, Medical Assisting, Physical Therapist Assistant, Dental Hygiene, Clinical Lab Science, or Practical Nursing)?

You must meet the criteria for those programs as well as the minimum admissions standards. Program applications are available on our website at mwcc.edu. If you meet all the requirements, your file will be evaluated by the committee after the deadline for application. If you are accepted to the selective program, you will be issued your Form I-20 in that program. If you are not accepted to the selective program, you will be issued an I-20 in the General Studies Allied Health program.

When do I make an appointment with the Embassy?

Because the speed of mail delivery differs by country, we recommend you schedule your appointment only upon receipt of your I-20.

What do you do for me if the Embassy denies me a student visa?

Issuance of a Form I-20 does not guarantee your approval for a student visa by the U.S. embassy. The I-20 is only an application for a student visa. The embassy will make the decision whether or not to grant you a student visa.

Can I do a change of status if I am here on a visitor's visa?

Applicants entering the United States on a visitor's visa (B-1/B-2) without the "Prospective Student" classification, which is issued only in exceptional circumstances, will find it very difficult to change to student classification. You will need to apply to the college and provide all the required documentation. Your current visa and I-94 must be valid and not expired. US Immigration Authority advises students to return to their home country to change status from B-1/B-2 to F-1 or M-1.

Can I change my major once I am in the US?

Yes. You may change your major, but we must issue you a new Form I-20 with your new major and completion date.

Can I transfer from another college in the US to Mount Wachusett? What do I need to do?

You will need to submit all documentation required for new applicants as well as the additional items listed on page 3 under "Transfer Applicants".

Can I transfer to another college? How do I go about it?

As long as you are currently in good standing both financially and academically with MWCC, we will sign a transfer approval form issued by the school you wish to transfer.

Who can I get to sponsor me? Does it have to be someone in the US?

You will need to obtain your own sponsor. They do not need to be here in the US. Our only requirement is that they have sufficient funds to meet your financial requirements.

How much will it cost to attend your college and obtain a degree?

Please refer to page 3 "Affidavit of Support and Financial Documentation". The estimate provided is based on one academic year. Your degree can be completed in two years, but additional time may be required for students who need to improve their English, reading or mathematics skills prior to entering coursework required for their degree. When planning your financial needs, it is advised that applicants estimate financial need to be between 2 and 3 years.

Can I work on a student visa?

No. This is why INS requires financial documentation that demonstrates sufficient funds available to support your education.

What happens if I do not complete my degree before my I-20's expiration date?

We can file for an extension to your Form I-20 so you may complete your degree.

Can I travel outside the U.S. during school breaks? What do I need to do?

Yes, you may travel during school breaks. You will need your Form I-20 signed by a college official granting you permission.

Can I drive while in the U.S.? Will I need a U.S. drivers license?

If you have a valid drivers license from your country, you may not need to apply for a license in the US. Each state within the US, however, establishes their own requirements and accepts only certain countries drivers licence. For information on Massachusetts drivers license requirements, you can visit mass.gov/registry.
