

**Transfer Articulation Program**  
**MOUNT WACHUSETT COMMUNITY COLLEGE *and* RIVIER UNIVERSITY**  
**ASSOCIATE DEGREE IN BUSINESS ADMINISTRATION**  
**to BACHELOR OF SCIENCE IN BUSINESS MANAGEMENT**

Beginning with the 2019-2020 academic year, a graduate of Mount Wachusett Community College, who meets the following requirements and satisfactorily completes the following requirements for admission will be automatically accepted for admission and receive junior-class standing in the Business Division at Rivier University for the Bachelor of Science degree program in Business Management:

- Completes the requirements of the Associate Degree in Business Administration major as listed in the current Mount Wachusett Community College catalog, and;
- Receives the Associate Degree with a minimum of a C (2.0) grade point average;
- Submits application for transfer to the Admissions Office at Rivier University;
- Submits a complete official transcript from Mount Wachusett Community College;

Students who transfer through the Transfer Articulation Program are generally able to complete their remaining requirements for the baccalaureate degree in two years of full-time study or less, depending upon the number of transfer credits accepted. Part-time studies may require more time for degree completion. Rivier University will accept up to 90 credits of transfer credits. Advising material is included with this agreement and early academic advising is strongly recommended.

Transfer students who have received a grade of C or better in a writing course equivalent to ENG 115 or 120 will be awarded transfer credit for the course, if this credit was earned within a period of no more than five years prior to matriculation at Rivier University; in all other cases, entrance requirements for all students may include submission of a Writing Sample. Course placement (whether fulfilling the ENG 115, ENG 120, ENG 102 requirement, and/or a general elective) will be determined individually upon completion of the Writing Sample and recommendations submitted by department faculty.

---

This agreement, effective 2019-2020 academic year, will be ongoing. This agreement is subject to catalog and/or program revisions at both institutions; however, this agreement will continue to apply to students who transfer from the above mentioned program within one year of the termination of this agreement.
