

**ARTICULATION AGREEMENT
FIRE SCIENCE TECHNOLOGY (FST)
Mount Wachusett Community College**

And

ConVal Regional High School

Based upon the mutual concern for the continued growth of students, and in an effort to provide a continuing articulated program that builds on past learning experience and eliminates unnecessary duplications of instruction, we mutually subscribe to the following:

- 1. Beginning in the year 2018, students who have graduated high school with a minimum overall high school grade point average (GPA) of 2.0 on a 4.0 scale and who have completed the high school course listed under section (A) with a 3.0/B or better, will be granted MWCC college credits for the courses listed under section (B).

(A)	(B)
<u>Course completed</u>	<u>MWCC Courses to be Articulated</u>
Fire 1360L Fireground Procedures	FST155 Principles of Emergency Services 3 credits
National Emergency Medical Technician Certification	FST159 Fire Behavior and Combustion 3 credits
	HHC 111 Emergency Medical Technician I 4 credits
	HHC 112 Emergency Medical Technician II 4 credits
	Total 14 credits

- 2. Applicants for credit must meet all MWCC admissions requirements and must be an enrolled/registered student in good standing at MWCC including:
 - a. Submit a standard application for admission to the Admissions Office on time (no application fee required).
 - b. Present a transcript to MWCC Advising showing the completion of the ConVal Regional High School Fire Science/Emergency Technician (EMT) program of study and the grade earned for the course listed in the above section (B).

3. In order for credit to be granted, the student must enroll at the college within 2 years of the date of high school graduation. In cases where a student's graduation date exceeds 2 years, MWCC will determine eligibility on a case by case basis.
4. This agreement will be in effect for three years and is subject to an annual review by both parties.

Agreed to this 29th day of September, 2017.
