Week 6 August 3–7

DIY Builders ........................................... $249 / $150  KID'S CHOICE: □ YES □ MD □ MAYBE
8:30–4pm  $79 non-waiverable fee  62272  8:30–12pm  $49 non-waiverable fee  62273

Ages 6–9: Want to know what it would be like to have huge robot hands? Want to build a LEGO race-car and compete in races against other campers? Well this camp is for you! We are going to build those and more, including wooden derby cars to race, birdhouses, and many cool do-it-yourself crafts. All items go home with you.

Rube Goldberg Machine Mania ........................................... $249 / $150  KID'S CHOICE: □ YES □ MD □ MAYBE
8:30–4pm  $79 non-waiverable fee  62274  8:30–12pm  $49 non-waiverable fee  62275

Ages 10–14: Seriously, if you have never heard of a Rube Goldberg machine, have your parents show you on YouTube. We’re going to make a room sized machine while we learn about levers, pulleys, wheels, ramps, and springs. We’ll discuss the mechanics behind Rube’s famous machines and work together to create a large machine. We’ll also make a take-home sized version for a cool marble course.

Week 7 August 10–14

BUGZ! ........................................... $249 / $150  KID'S CHOICE: □ YES □ MD □ MAYBE
8:30–4pm  $79 non-waiverable fee  62276  8:30–12pm  $49 non-waiverable fee  62277

Ages 6–9: If it crawls, flies, squirms, or chirps, we want it! Become a mini entomologist as we investigate what makes a bug... a bug! We’ll go look for some bugs in nature and learn about beneficial insects like spiders, earth worms, and lady bugs. We’ll look at honey bees and their role on our earth. We’ll create ant farms and small compost bins for worms. Campers will plant flowers to help local pollinators.

Forensic Science ........................................... $249 / $150  KID'S CHOICE: □ YES □ MD □ MAYBE
8:30–4pm  $79 non-waiverable fee  62278  8:30–12pm  $49 non-waiverable fee  62279

Ages 10–14: Ever wanted to be an investigator? We’ll have a live crime scene, with finger printing, ballistics. Be ready to focus on the details. Forensic Science is exciting and fun! A visit from a local police department.

Week 8 August 17–21

Junior Foodies ........................................... $249 / $150  KID'S CHOICE: □ YES □ MD □ MAYBE
8:30–4pm  $79 non-waiverable fee  62280  8:30–12pm  $49 non-waiverable fee  62281

Ages 6–9: Don’t we all love easy snacks and taste bud enticers? Who doesn’t like dirt dessert with gummy worms? We’ll learn how to make everything from easy healthy snacks to summer treats. Campers will learn about the benefits of healthy choices, as well as the excitement of decorating desserts! We’ll learn how to make tasty delights that require no baking at all MWCC is not a nut or gluten free campus.

Claymation Station ........................................... $249 / $150  KID'S CHOICE: □ YES □ MD □ MAYBE
8:30–4pm  $79 non-waiverable fee  62282  8:30–12pm  $49 non-waiverable fee  62283

Ages 10–14: Create stop-motion Claymation stories and videos using modeling clay and cell phone cameras. Learn how to make scenes and movements as we bring our own stories to life in this fun and exciting camp. Campers can bring their own cell phone, iPad, or digital camera or use one of ours. Work as a team to create a mini-movie with all characters created by you! All Claymation videos and props will go home with you.

All programs require both a medical & a permission form. Download at mwcc.edu/noncredit.
Outdoor Adventures ........................................ $249 / $150 KID'S CHOICE: □ YES □ NO □ MAYBE
8:30–4:30 pm $79 non-waiverable fee 62266 8:30–12:15 pm $49 non-waiverable fee 62270
Ages 7–12: Explore the great outdoors! This camp will be mostly outdoors, weather permitting. We will learn about knot tying, sun tracking, hiking, water purification, bird watching, and use microscopes to look at the tiny life in our local pond. We will also learn how to make solar oven brownies for a snack!

Mount Fitness: Soccer ........................................... $199 KID'S CHOICE: □ YES □ NO □ MAYBE
2:30–4:30 pm $25 non-waiverable fee 62271
Ages 8–12: Welcome at all skill levels with a "learn through play" philosophy. You will learn the game and develop new foot skills. Gerry Padilla and staff strive to create a positive learning experience for all. Children are broken down into small groups to enhance their skills while learning the importance of being part of a team.

Fantasy Land .......................................................... $249 / $150 KID'S CHOICE: □ YES □ NO □ MAYBE
8:30–3:00 pm $79 non-waiverable fee 62284 8:30–12:00 pm $49 non-waiverable fee 62285
Ages 7–11: This is one of our most popular programs! Hiking, swimming, fun activities and movies will make this the highlight of the summer. Instructor: Brian Burpee.

Space Cadet ........................................................... $249 / $150 KID'S CHOICE: □ YES □ NO □ MAYBE
8:30–3:00 pm $79 non-waiverable fee 62286 8:30–12:00 pm $49 non-waiverable fee 62297
Ages 9–12: Ever look up at the stars and wonder what is going on up there in space? Learn about stars, planets, comets, and satellites as we create our own full sized planetarium in our room! We will create constellations that light up and a full room-size solar system. We will even track the International Space Station and watch live NASA broadcasts! All items go home with you.

Mount Fitness: Fun in the Sun .................................... $249 / $150 KID'S CHOICE: □ YES □ NO □ MAYBE
7:30–2:15 pm $25 non-waiverable fee 62287
Ages 9–12: This is one of our most popular programs! Hiking, swimming, fun activities and movies will make this the highlight of the summer. Instructor: Brian Burpee.

Intro to the Potter’s Wheel & Drawing ......................... $259 KID'S CHOICE: □ YES □ NO □ MAYBE
9:00–3:45 pm $79 non-waiverable fee 62298
Ages 9–12: Spend your day learning new drawing techniques and working on the potter’s wheel centering clay, or working with coils or slabs of clay to make vases, cups or bowls. We will glaze and fire several pieces. Ceramics, ink, pencil, pastels, clay, slip and glazes may be used. Dress for mess! Bring a smock and a snack for morning break. Sponsored by the MWCC Art Department. Space is limited.

Teen Art School ...................................................... $259 KID'S CHOICE: □ YES □ NO □ MAYBE
9:00–3:45 pm $79 non-waiverable fee 62299
Ages 13–18: A five-day studio art program designed for teens interested in visual arts or seeking to create work for a portfolio. This year the focus will be on plein air painting – taking the easels and paint outdoors, advancing drawing skills and exploring your imagery through printmaking using the college’s presses/colored inks to create monotypes and/or collagraphs. The range of subjects, ideas and new approaches along with traditional and contemporary works of art presented for inspiration. Sponsored by the MWCC Art Department. Space is limited.

Crazy Chemistry .................................................... $259 KID'S CHOICE: □ YES □ NO □ MAYBE
8:30–4:30 pm $79 non-waiverable fee 62290 8:30–12:00 pm $49 non-waiverable fee 62291
Ages 6–9: We all know what happens when you mix baking soda and vinegar, but did you know you can use rock salt from the road to make ice cream? This exploration into household chemistry will have us doing just that! We’ll make slime, volcanoes, and huge body sized bubbles. We’ll see some cool demonstrations like making elephant toothpaste! Some items are take home with instructions to make at home.

Take Flight ............................................................... $249 / $150 KID'S CHOICE: □ YES □ NO □ MAYBE
8:30–4:30 pm $79 non-waiverable fee 62292 8:30–12:00 pm $49 non-waiverable fee 62293
Ages 9–12: Soar high above the ground with all things that fly. In this camp, we’ll learn about aviation and how things fly. We’ll create extreme paper airplanes that can fly up to 100 feet. We’ll have balloon rocket zip line races, launch water and air powered rockets, and learn about helicopters. Hotair balloons, stomp rockets, and more go home with you.

Mount Fitness: Baseball .......................................... $109 KID'S CHOICE: □ YES □ NO □ MAYBE
2:00–6:00 pm $25 non-waiverable fee 62294
Ages 8–12: Let’s focus on fundamentals of throwing, catching, hitting and running. Groups will be broken down into stations for pitchers/catchers, infield and outfield. In addition, we’ll focus on the fitness and frostwork needed. All children must bring a glove, snack and water, and wear a protective cup. Sunglasses are recommended. Instructor: Jason Sonnian.
