Linked Course FAQ

“But wait, how do I sign for up a science class with a lab or linked classes such as MAT 093 + 143?”

When registering for a science or a linked class make sure you put both CRNs into a box before hitting submit as shown below:

Crn	Course	Section	Campus	State Supported	Cycle	Credits	Start End	Notes
62057	BIO109	MWG	WEB	No	C1	4	26-MAY-20 to 02-JUL-20	Must also take CRN 62058 BIO109 LMG
62058	BIO109	LMG	WEB	No	C1	0	26-MAY-20 to 02-JUL-20	

Tip: For sciences the lecture portion has the credits (in this case 4) and the lab has none. They must be registered for together as it says in the notes.

For the Math classes such as MAT 093 + MAT 143 MAT 097 + MAT 162, or the English courses such as ENG 097 + ENG 101 it would look like the following:

Crn	Course	Section	Campus	State Supported	Cycle	Credits	Start End
62141	MAT093	WEB	WEB	No	1	1	26-MAY-20 to 20-AUG-20
62067	MAT143	WEB	WEB	No	1	3	26-MAY-20 to 20-AUG-20
62143	MAT093	WE4	WEB	No	C2	1	13-JUL-20 to 20-AUG-20

Tip

The math will allow you to pick the 093 or 097 to pair with your MAT 143 or 162 respectively.

Important!

You cannot mix the cycle math courses though, they must have matching start and end dates

Please see the next page for the English Example.

The ENG 097 + 101 are linked. You must pick corresponding classes according to the notes.

Cm	Course	Section	Campus	State Supported	Cycle	Credits	Start End	Notes
90600	ENG097	TR1	GAR	Yes	1	1	09-SEP-20 to 23-DEC-20	Students MUST be eligible for this Transitions English section with advisor permission. Students MUST coenroll in ENG 101 Transitions section TR1 90267
90267	ENG101	TR1	GAR	Yes	1	3	09-SEP-20 to 23-DEC-20	Students MUST be eligible for this COLLEGE TRANSITION section with Advisor permission. Students MUST register for corequisite section of ENG 097 90600

If you add both course CRNs into your Add/Drop page and hit submit be it for the Science, Math, or English courses, as long as they are both there when you hit "Submit Changes" it should go through.
