MINIMUM REQUIREMENTS FOR CONSIDERATION

A.S. ADVANCED STANDING NURSING DEGREE (DAY PROGRAM. CLASSES BEGIN IN JANUARY.)

General Applicants:

Applicants must have completed the following at time of application:

1. Math Proficiency: Competency may be met with completion of a math course equal to MAT143 with a C+ or greater.
2. Applicants are strongly encouraged to complete all non-nursing pre and co-requisite coursework prior to applying to the program due to the competitive admission requirements of the program.
3. Completion of BIO203 (Anatomy & Physiology (4 credits) completed at an accredited college with a grade of C+ or greater), ENG101, PSY105 and previous nursing courses with a 3.0 GPA or greater.

Your file will be reviewed and you will be notified by mail of the decision approximately 60 days following the application deadline.

Courses in progress at time of application deadline will not be considered as meeting these requirements.

SPECIAL PROGRAM REQUIREMENTS

Please note that the following information must be received before courses begin:

- Students accepted to Health Programs must be in compliance with the current immunization requirements specified by the Massachusetts Department of Public Health for Health Care Personnel (HCP) and in accordance with state law, MGL, Chapter 76, Section 15C and its regulations at 105 CMR 220.700 in order to participate in an externship placement or clinical experience.
- Health examination conducted within the past two years by a licensed healthcare provider.
- Immunization Requirements for Health Science Students: Two (2) doses Varicella (chicken pox) vaccine or positive titre; two (2) doses MMR (measles, mumps, rubella) vaccine; three (3) doses Hepatitis B vaccine AND Hepatitis B titer showing immunity to the disease; one (1) TDAP (tetanus, diphtheria and pertussis) vaccine within 10 years; one (1) dose Meningococcal vaccine (ages 16-21); annual Influenza vaccine; initial "2 step" PPD or Quantiferon Gold TB blood test and then annual TB testing (negative chest x-ray within 5 years AND annual TB Questionnaire also accepted); a complete physical exam within two years. Contact the Health Services Office at 978-630-9136 for more information.
- Liability Insurance of \$1,000,000/\$3,000,000 coverage is required. Students will be covered under the college's liability insurance policy, which will be billed through student fees.
- CPR Certification (Healthcare Provider) or BLS level is required. A certificate of completion must be presented to the nursing department prior to entry into nursing courses.
- All nursing students must participate in the Massachusetts Community College Health Insurance Plan or provide accurate information regarding comparable coverage.
- Clinical sites may require the student obtain certain background checks (state/federal criminal or sexual offender), finger printing and/or drug testing before participating in the clinical experience. Costs for these reviews will be the responsibility of the student.

TECHNICAL STANDARDS

Students entering this program must be able to demonstrate the ability to:

1. Comprehend textbook material at the 11th grade level.
2. Communicate and assimilate information either in spoken, printed, signed, or computer voice format.
3. Gather, analyze, and draw conclusions from data.
4. Stand for a minimum of two hours.
5. Walk for a minimum of six hours, not necessarily consecutively.
6. Stoop, bend, and twist for a minimum of 30 minutes at a time and be able to repeat this activity at frequent intervals.
7. Lift a 40-pound person or assist with a larger person and transfer the person from one location to another.
8. Determine by touch: hotness/coldness, wetness/dryness, hardness/softness.
9. Use the small muscle dexterity necessary to do such tasks as gloving, gowning, and operating controls on machinery.
10. Read measurement units with or without corrective lenses.
11. Respond to spoken words, monitor signals, call bells, and vital sign assessment equipment.
12. Identify behaviors that would endanger a person's life or safety and intervene quickly in a crisis situation with an appropriate solution.
13. Remain calm, rational, decisive, and in control at all times, especially during emergency situations.
14. Exhibit social skills appropriate to professional interactions.
15. Maintain cleanliness and personal grooming consistent with close personal contact.
16. Function without causing harm to self or others if under the influence of prescription or over-the-counter medications.

Students are expected to meet the technical standards for enrollment in college programs. In some cases, assessment and developmental courses may help students meet these standards. Technical standards must be met with or without accommodations. The college complies with the requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act of 1990. Therefore, the College will make a reasonable accommodation for an applicant with a disability who is otherwise qualified.

STUDENT LEARNING OUTCOMES FOR NU AND NUP

Upon graduation from this program, students shall have demonstrated the ability to meet these Program Competencies that guide the nursing curricula and practice:

- Patient-Centered Care - Manage holistic care that recognizes an individual's preference, values, and needs and respects the client or designee as a full partner in providing compassionate, coordinated, age and culturally appropriate, safe and effective care.
- Professionalism - Validate accountability for the delivery of standards-based nursing care that is consistent with moral, altruistic, legal, ethical, regulatory, and humanistic principles.
- Leadership - Organize the behavior of individuals or groups of individuals in a way that will facilitate the achievement of shared goals.
- Systems-Based Practice - Support an awareness of responsiveness to the larger context of the health care system and of microsystems resources to provide care that is of optimal quality and value.
- Informatics and Technology - Evaluate information and technology to communicate, manage knowledge, mitigate error, and support decision making.
- Communication - Relate effectively with clients and colleagues, fostering mutual respect and shared decision making, to enhance client satisfaction and health outcomes.
- Teamwork and Collaboration - Collaborate effectively within nursing and interdisciplinary teams, fostering open communication, mutual respect, shared decision making, team learning, and development.
- Safety - Minimize risk of harm to patients and providers through both system effectiveness and individual performance.
- Quality Improvement - Use data to monitor the outcomes of care processes to continuously improve the quality and safety of health care systems.
- Evidence-Based Practice - Integrate the best current evidence coupled with clinical expertise and consideration of patients' preferences, experience and values to make practice decisions.

BACKGROUND CHECKS, DRUG TESTING AND LICENSURE REQUIREMENTS

A Criminal Offender Records Information (CORI) review procedure has been implemented for students whose academic programs includes the potential for unsupervised contact with persons from vulnerable populations (i.e., children, the elderly and the disabled).

As part of the coursework in the AS Nursing Advanced Standing program, students are required to complete practical hours in clinical facilities working with patients under the supervision of licensed providers. Clinical sites may require the student obtain certain background checks (state/federal criminal or sexual offender), finger printing and/or drug testing before participating in the clinical experience. Costs for these reviews will be the responsibility of the student.

Refusing to participate in these background checks or drug testing will result in the inability to progress in the program. A positive background check or drug test may also result in the inability to progress in the program.

The prospective student is encouraged to discuss any concerns with the program director prior to acceptance into the A.S. Nursing Advanced Standing program. All screenings and background checks are completed AFTER admission/acceptance into the program.

Applicants for initial Massachusetts nurse licensure (RN & PN) must report felonies and misdemeanors, convictions and disciplinary action to the Board of Registration in AS Nursing program for its evaluation of the applicant's compliance with the Good Moral Character requirement at FL, c.112, ss.74 and 74A. For details, refer to the Good Moral Character Information Sheet at mass.gov/dpl/boards/rn/forms/gmcreg.pdf.

By signing this application, the prospective student understands his/her responsibility to participate in and pay for these background checks/drug tests, if required by the clinical site. By signing this application, the prospective student also understands the consequences of refusing to test, or refusing to undergo the background checks.

ACCREDITATION

The program is approved by the Massachusetts Board of Nursing. Accreditation Commission for Education in Nursing (ACEN), Board of Commissioners granted continuing accreditation to the associate nursing program until Spring 2022. ACEN contact information: 3343 Peachtree Road NE, Suite 850, Atlanta, GA 30326; 404-975-5000; acenursing.org.

QUESTIONS & ANSWERS

How do I make an appointment to complete my placement testing?

If you have not yet completed college level English and Math, your next step is to take the placement exam. Students may take the placement exam on any of our 3 campuses and options at each of those campuses vary. For more information, please check mwcc.edu/testing or contact Testing Services at 978-630-9244. If you completed placement testing in the past three years, these scores can be used if they meet the program requirements. An additional fee of \$10.00 will be charged for those individuals who request to retest.

QUESTIONS & ANSWERS (CONTINUED)

If I do not meet the math, English, psychology, NUR111, science requirements & TEAS by deadline, will my file be reviewed?

No, unfortunately your file will not go to committee. Only those applications displaying the requirements & TEAS at time of deadline will be reviewed (see minimum requirements for consideration).

I haven't completed the coursework needed to apply to the nursing program yet. Can I still come to MWCC?

YES! Students are encouraged to enter the college as a "Interdisciplinary Studies - Allied Health (IDSH)" student. With this major, you will be identified as a potential nursing applicant and will be assigned an advisor who will assist you in establishing an educational plan. As an IDSH student, you may complete any of your co-requisite courses (i.e., English, mathematics, sciences, psychology, etc.) then apply to the program when you have met the requirements for consideration.

Can I speak with an advisor about the Nursing Program?

Yes, it is required that you attend a Healthcare information session and meet with a representative from the Nursing and Admissions departments. **Please call 978-630-9110 and reserve a seat! Healthcare information session are listed on mwcc.edu/info-sessions/**

How is my file evaluated?

Our nursing class is selected from a pool of applicants who have displayed the minimum academic requirements for admission to the program. Space is limited and not all applicants are accepted. Applications will be reviewed and candidates will be notified of the admissions decision by mail approximately 60 days after the deadline. The process is competitive and your file will be ranked using the following criteria:

- All students must have graduated with a HS Diploma or HiSET (GED). Students, who have completed secondary school outside the US, must have their records evaluated by a recognized credential agency. Please refer to naces.org for more information.
- TEAS results.
- Math Proficiency: Competency may be met with completion of a math course equal to MAT143 with a C+ or greater and not older than 10 years or through college placement testing.
- Completion of BIO203 (formerly BIO199) (Anatomy & Physiology I), ENG101 (English Composition I), and PSY105 (Introduction to Psychology) with a C+ or higher.
- Must have NUR106, NUR111 or equivalent with a 3.0 GPA or greater transferred in or LPN license in good standing.
- An applicant must have completed Anatomy & Physiology I (4 credits) within the last 10 years. Due to the competitive nature of selection, applicants are encouraged to complete BIO204 (Anatomy & Physiology II), BIO205 (Microbiology), ENG102 (English Composition II), PSY110 (Human Growth & Development) and SOC103 (Introduction to Sociology) with a C+ or greater.
- An applicant's prior degree(s) are taken into consideration.
- An applicant's work experience is taken into consideration; more specifically, applicants who have worked or are working in indirect or direct healthcare positions.
- Current MWCC students will be given priority in the evaluation process.

If I am not accepted this year, will I automatically be accepted next year?

No, you are not guaranteed acceptance. All applicants must reapply.

Is there a pre-admission entrance examination?

Yes. Mount Wachusett Community College requires students to complete the TEAS (Test of Essential Academic Skills). For more information, contact the College Testing Services office at 978-630-9244. To register for the TEAS, go online to atitesting.com.

Can I work and attend classes full-time?

Nursing and science coursework is complex and requires a personal commitment. Part-time employment may be appropriate, but will need to be flexible in order to accommodate school requirements. Students are encouraged to balance their employment and school responsibilities.

Where do I attend a clinical setting or placement, and how do I get there?

Nursing students are responsible for their own transportation to clinical sites which include healthcare agencies in such areas as Worcester, Leominster, Fitchburg, Ayer, Baldwinville, Athol, Gardner, and Groton.

Can I transfer to a four-year school and earn a Bachelor's Degree?

Yes. Graduating nursing students may take advantage of several RN to BSN bridge programs. Transfer articulation agreements currently exist between MWCC and Elms College, Fitchburg State University and Rivier University. This includes the new MWCC/Fitchburg State Guaranteed Admission Nursing Program. Your acceptance to MWCC's Associate Degree in Nursing program offers you conditional admission to Fitchburg State's BS in Nursing program. Upon graduation from MWCC's Nursing program and passing the NCLEX-RN exam, you may begin your courses in the RN-BS program at Fitchburg State. Students will be contacted in their final semester at MWCC to discuss the transition to Fitchburg State. To learn more, check out our website at mwcc.edu/academics/degree/nursing/fitchburgbsn/ or call our Transfer Advisor at 978-630-9109.

Can I apply for Financial Aid?

Yes. Inquire at the Financial Aid Office, 978-630-9169. We encourage all applicants to apply for Financial Aid (FAFSA).

Additionally, what must I know?

- It is up to the applicant to read the Technical Standards. It is the applicants responsibility to discuss any accommodation that he/she may need by contacting the Counselor for Students with Disabilities at 978-630-9330.
- The applicant is responsible for ensuring that the application file is complete and that all items are received by the deadline.

In compliance with the Clery Act (20 U.S.C. 1092(a) and (f)), all prospective students are entitled to review the MWCC Annual Security Report. This report may be accessed online at www.mwcc.mass.edu or by request through the Office of Admissions.

Mount Wachusett Community College seeks to provide equal educational and employment opportunities and does not discriminate on the basis of race, color, religious creed, age, physical or mental disability, sex, national origin or ancestry, marital status, sexual orientation, genetic information or veteran status.

A.S. Nursing Advanced Standing(NU)

2021 Program Requirements

Registered nurses (RNs) work to promote health, prevent disease, and help clients cope with illness. They are advocates and health educators for clients, families, and communities. MWCC Nursing graduates have historically achieved a high passing rate on the National Council Licensure Exam for Registered Nurses (NCLEX-RN) and have been successful in obtaining employment. The program is approved by the Massachusetts Board of Nursing and Accreditation Commission for Education in Nursing (ACEN); 3343 Peachtree Road NE, Suite 850, Atlanta, GA 30326; 404-975-5000; acenursing.org.

Helpful hints: Because of an extensive classroom/clinical commitment, students are encouraged to complete the general education requirements prior to beginning nursing courses.

Transfer options: Graduating nursing students may take advantage of several RN to BSN bridge programs. Transfer articulation agreements currently exist between MWCC and Elms College, Fitchburg State University and Rivier University. This includes the new MWCC/ Fitchburg State Guaranteed Admission Nursing Program. Your acceptance to MWCC's Associate Degree in Nursing program offers you conditional admission to Fitchburg State's BS in Nursing program. Upon graduation from MWCC's Nursing program and passing the NCLEX-RN exam, you may begin your courses in the RN-BS program at Fitchburg State. Students will be contacted in their final semester at MWCC to discuss the transition to Fitchburg State. To learn more, check out our website at mwcc.edu/academics/degree/nursing/fitchburgbsn/ or call our Transfer Advisor at 978-630-9109.

Priority Application deadline: The application deadline is November 1, 2020.

Special requirements: Applicants must meet all requirements for consideration before entering the program. Students must meet technical standards and additional requirements including immunizations, CPR certification, liability insurance, and a Criminal (CORI) check. Additional tuition applies for the evening Nursing program (See college catalog for more information).

Career options: RNs in hospitals, sub acute units, extended care facilities, medical offices, rehabilitation centers, and home care.

Earning potential:
\$51,000 - \$78,000 per year.
