ONLINE RN-TO-BSN PROGRAM

ACCELERATED. FLEXIBLE. WORTHWHILE. THE EDGE YOU NEED FOR THE CAREER YOU WANT.

EARN YOUR DEGREE IN AS FEW AS 16 MONTHS FOR AS LITTLE AS $11,200.

The ever-changing healthcare industry is seeking nurses who possess a thorough education, depth in experience and certifiable credentials to provide expert care for a diverse patient population. Developed exclusively for registered nurses (RNs), Emmanuel College's Bachelor of Science in Nursing program offers you the opportunity to get to where you want to be in your career. As a leader in nursing education for over 40 years, we will help you build on current clinical skills and training while you take the next step in advancing your career.

• Take two seven-week courses each 14-week semester, focusing on one course at a time
• Learn in an online format designed for the busy working professional
• Maximize your learning potential at an institution with over 40 years of leadership in nursing education

WHAT MAKES EMMANUEL’S ONLINE RN-TO-BSN PROGRAM THE RIGHT CHOICE?

ONLINE LEARNING MADE EASY: In a fully online program, we want to make sure you have all the know-how you need with our online systems and software. We offer an orientation to online learning as well as 24/7 tech assistance to ensure your learning experience is as comfortable and convenient for you as possible.

FLEXIBLE AND AFFORDABLE: Set your own pace for program completion, taking online courses as frequently as you see fit, with the option of completing the program in as few as 16 months.

ACADEMIC ADVISING EVERY STEP OF THE WAY: In our program, you have the ability to communicate with your advisor online, over the phone, or face-to-face. From succeeding in classes to ensuring you secure a practicum placement that will advance your career, your advisors will be a valuable and unparalleled resource.

EXPERT INSTRUCTION: Our nursing faculty individualize instruction to maximize each student’s learning potential. Our faculty includes experienced nursing professionals from renowned institutions who bring valuable perspectives, masterful instruction, and a network of connections from their careers to the classroom.

ONLINE CONVENIENCE BACKED BY COMMUNITY SUPPORT: Our program is entirely online, so your degree can be yours whenever, wherever. While your courses won’t require you to be on-campus, you can always come to campus if you prefer. Plus, you still have access to all of our resources, such as the College’s library, Academic Resource Center, IT Helpdesk, academic advising, and more.

UNMATCHED LOCATION AND CONNECTIONS: Emmanuel’s campus is seconds away from the Longwood Medical Area, home to hospitals such as Brigham and Women’s Hospital, Beth Israel Deaconess Medical Center, Boston Children’s Hospital, Dana-Farber Cancer Institute and Joslin Diabetes Center, giving you the opportunity to complete your practicum in Boston’s world-renowned healthcare organizations.

A DIVERSE STUDENT BODY: Emmanuel’s nursing students represent a range of ages, cultures and experience levels; we aim to graduate culturally competent nurses prepared to understand and treat a diverse patient population.

STUDENTS ALSO HAVE THE UNIQUE OPPORTUNITY TO TRAVEL TO FLORENCE, ITALY: This travel course offers students an opportunity to explore healthcare and culture in Italy.
