ARTICULATION AGREEMENT
Mount Wachusett Community College
Veterinary Technology Program

And
Montachusett Regional Vocational Technical High School
Veterinary Science Program

Based upon the mutual concern for the continued growth of students, and in an effort to provide a continuing articulated program that builds on past learning experience and eliminates unnecessary duplications of instruction, we mutually subscribe to the following:

1. Students who have graduated high school with a minimum overall high school grade point average (GPA) of 2.0 on a 4.0 scale and who have completed the high school courses listed under (A) with a 3.0/B or better GPA, and who receive a grade of C+/77 or better on the MWCC Anatomy and Physiology of Domestic Animals I and Anatomy and Physiology of Domestic Animals II Challenge Exams and who meet all the criteria listed below, will be granted MWCC college credits for the courses listed under (B).

*The MWCC VTE 102 Anatomy & Physiology of Domestic Animals I and VTE 103 Anatomy & Physiology of Domestic Animals II Challenge Exams will be updated by MWCC Faculty when appropriate. The Challenge Exams will be administered at the MWCC Testing Center at the Gardner Campus. All qualifying students must take the Challenge Exam for VTE 102 Anatomy & Physiology of Domestic Animals I first. Upon receiving a grade of 77 or higher, the student will be awarded the 4 credits for VTE 102 Anatomy & Physiology of Domestic...*
Animals I and then becomes eligible to take the Challenge Exam for VTE 103 Anatomy & Physiology of Domestic Animals II. Should the student choose to take the Challenge exam for VTE 103 Anatomy & Physiology of Domestic Animals II and receives a grade of 77 or higher, they will be awarded 4 credits for VTE 103 Anatomy & Physiology of Domestic Animals II. The student should complete the Challenge Exam(s) prior to registering for courses at MWCC. The student will be responsible for scheduling their Challenge Exam by calling the MWCC Testing Center at 978-630-9244 or 978-630-9220 and following the MWCC admissions process.

2. Applicants for credit must meet all MWCC admissions requirements and must be an enrolled/registered student in good standing at MWCC including:
   a. Submit a standard application for admission to the Admissions Office on time (no application fee required).
   b. Present a high school transcript to MWCC Advising showing the Career Pathway Courses completed.

3. The graduation requirements will be no different from the graduation requirements for all other students.

4. MWCC will honor this agreement for two years after the student's date of high school graduation. In cases where a student's graduation exceeds 2 years, MWCC will determine eligibility on a case by case basis.

5. This agreement will be in effect for three years and is subject to an annual review by both parties.

Agreed to this 5th day of April, 2021

Review Date: April 2024
