Thank you for considering the Pre-Healthcare Academy at Mount Wachusett Community College.

MWCC’s Pre-Healthcare Academy provides 2021 and 2022 high school graduates an opportunity to gain access into MWCC’s competitive health programs. Academy students who maintain a 3.0 GPA throughout the program may enter MWCC’s Dental Hygiene Degree (DHY), Physical Therapist Assistant Degree (PTA), or Nursing Degree (NU) during the fall of their second year.

Information Sessions

Each healthcare program offers information sessions that include program information, the admissions process, and financial aid information. Attendance at one information session is strongly suggested. Transcript reviews are not conducted at these sessions. Please call 978-630-9110 for more information.

The following must be submitted to the Office of Admissions.

Also, a final high school transcript must be submitted at the time of graduation that indicates successful completion of the requirements to graduate from high school. All transcript materials requested by the applicant become the property of Mount Wachusett Community College and cannot be released to the applicant or to other institutions or agencies.

THE APPLICATION PROCESS

This informational page explains the admissions process, as well as the entrance requirements for the Pre-Healthcare Academy program at Mount Wachusett Community College. Please read this information carefully and keep for your records. Students may be eligible to enter a selective A.S. degree program upon completion of the Academy. Mount Wachusett Community College seeks to enroll students who will succeed academically, thrive socially and contribute meaningfully to the campus community.

Admission to this program is competitive and seats are limited. Therefore, everyone who applies may not be admitted to the program.

Your high school academic record is an important factor in our evaluation process for Academy admission. The quality and level of courses, grade point average, and grade trends are all considered. Counselor and teacher recommendations are required as is a personal essay. Your work and/or volunteer experience and extracurricular activities may strengthen your overall credentials for admission.

The grades you earn in core college-preparatory courses are re-calculated into a grade point average (GPA). In re-calculating your GPA, you will receive extra credit for honors or Advanced Placement courses. Non-college preparatory courses are not included; therefore, the GPA calculated by the college will be different than the GPA calculated by your high school.

Your grades will be converted to a 4.0 scale, where “A” = 4.0, “B” = 3.0, “C” = 2.0, and “D” = 1.0. A 3.0 minimum GPA is preferred. Candidates for admission who have a HiSET (formerly GED) must submit official HiSET score reports with a preferred minimum attainment in the 75th percentile in all subject areas.

High school students should request an official high school transcript that includes at least the first marking period of the senior year. A final high school transcript must be submitted at the time of graduation that indicates successful completion of the requirements to graduate from high school. All transcript materials requested by the applicant become the property of Mount Wachusett Community College and cannot be released to the applicant or to other institutions or agencies.

Students wanting to apply to the Associate Degree Nursing Program must take the Test of Essential Academic Skills (TEAS) during the program. The TEAS is a computer based assessment that tests students on their reading, mathematics, science, and English. The TEAS must be completed by June 15 of your second semester.

Students are not eligible for re-admission if they are not successful through the program
