PRACTICAL NURSING CERTIFICATE

2022 Application | Day program only, classes begin in January

All applicants must meet the following criteria at time of application:

- ✓ Complete the College Placement Testing within three years of the application deadline demonstrating the ability to perform college level work unless demonstrated through prior college coursework. MWCC uses a variety of measures for course placement. Please visit catalog. mwcc.edu/admissions/courseplacementoptions/ for a complete listing
- ✓ Complete the Test of Essential Academic Skills (TEAS) exam with passing scores.

Note: All Practical Nursing classes will be held at the Gardner campus and clinicals will be held in the surrounding area. Laboratory coursework may be held at the Devens or Gardner campuses.

Each applicant must submit all required information listed on page 1 of this application by the deadline.

TECHNICAL STANDARDS

Students entering the Practical Nursing Certificate program must be able to demonstrate the ability to:

- Comprehend textbook material at the 11th grade level.
- Communicate and disseminate information either in spoken, printed, signed or computer voice format.
- Gather, analyze, and draw conclusions from data.
- Stand for a minimum of two hours.
- Walk for a minimum of six hours, not necessarily consecutively.
- Stoop, bend, and twist for a minimum of 30 minutes at a time and be able to repeat this activity at frequent intervals.
- Lift a 40-pound person or assist with a larger person and transfer the person from one location to another.
- Determine by touch: hotness/coldness, wetness/dryness, hardness/softness.
- Use the small muscle dexterity necessary to do such tasks as gloving, gowning, and operating controls on machinery.
- Respond to spoken words, monitor signals, call bells, and vital sign assessment equipment.
- Identify behaviors that would endanger a person's life or safety and intervene quickly in a crisis situation with an appropriate solution.
- Remain calm, rational, decisive, and in control at all times, especially during emergency situations.
- Exhibit social skills appropriate to professional interactions.
- Maintain cleanliness and personal grooming consistent with close personal contact.
- Function without causing harm to self or others if under the influence of prescription or over-the-counter medications.
- Read measurement units with or without corrective lenses.

Students are expected to meet the technical standards for enrollment in college programs. In some cases, assessment and developmental courses may help students meet these standards. Technical standards must be met with or without accommodations. The college complies with the requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act of 1990. Therefore, the College will make a reasonable accommodation for an applicant with a disability who is otherwise qualified.

SPECIAL PROGRAM REQUIREMENTS FOR NU AND PN

Please note that the following information must be received before courses begin:

- Students accepted to Health Programs must be in compliance with the current immunization requirements specified by the Massachusetts Department of Public Health for Health Care Personnel (HCP) and in accordance with state law, MGL, Chapter 76, Section 15C and its regulations at 105 CMR 220.700 in order to participate in an externship placement or clinical experience.
- Health examination conducted within the past two years by a licensed healthcare provider.
- Immunization Requirements for Health Science Students: Two (2) doses Varicella (chicken pox) vaccine; two (2) doses MMR (measles, mumps, rubella) vaccine; three (3) doses Hepatitis B vaccine AND Hepatitis B titer showing immunity to the disease; one (1) TDAP (tetanus, diphtheria and pertussis) vaccine within 10 years; one (1) dose Meningococcal vaccine (ages 16-21); annual Influenza vaccine; initial "2 step" PPD or Quantiferon Gold TB blood test and then annual TB testing (negative chest x-ray within 5 years AND annual TB Questionnaire also accepted); a complete physical exam within two years. Contact the Health Services Office at 978-630-9136 for more information.
- Liability Insurance of \$1,000,000/\$3,000,000 coverage is required. Students will be covered under the college's liability insurance policy, which will be billed through student fees.
- CPR Certification (Healthcare Provider) is required by the American Health Association. A certificate of completion must be presented to the nursing department prior to entry into nursing courses.
- All nursing students must participate in the Massachusetts Community College Health Insurance Plan or provide accurate information regarding comparable coverage.
- Clinical sites may require the student obtain certain background checks (state/federal criminal or sexual offender), finger printing and/or drug testing before participating in the clinical experience. Costs for these reviews will be the responsibility of the student.

STUDENT LEARNING OUTCOMES FOR NU AND NUP

Upon completion of the Practical Nursing Certificate (PN) Program, students shall have demonstrated the ability to meet these Program Competencies that guide the nursing curricula and practice:

- Patient-Centered Care - Provide holistic care that recognizes an individual's preference, values and needs and respects the client or designee as a full partner in providing compassionate, coordinated, age and culturally appropriate, safe and effective care.
- Professionalism - Demonstrate accountability for the delivery of standards-based nursing care that is consistent with moral, altruistic, legal, ethical regulatory and humanistic principles.
- Leadership - Influence the behavior of individuals or groups of individuals in a way that will facilitate the achievement of shared goals.
- Systems-Based Practice - Demonstrate an awareness of and responsiveness to the larger context of the health care system and the ability to effectively call on microsystems resources to provide care that is of optimal quality and value.
- Informatics and Technology - Use information and technology to communicate, manage knowledge, mitigate error, and support decision making.
- Communication - Interact effectively with clients and colleagues, fostering mutual respect and shared decision making, to enhance client satisfaction and health outcomes.
- Teamwork and Collaboration - Function effectively within nursing and interdisciplinary teams, fostering open communication, mutual respect, shared decision making, team learning and development.
- Safety - Minimize risk of harm to patients and providers through both system effectiveness and individual performance.
- Quality Improvement - Use data to monitor the outcomes of care processes to continuously improve the quality and safety of health care systems.
- Evidence-Based Practice - Use the best current evidence coupled with clinical expertise and consideration of patients' preferences, experience and values to make practice decisions.

BACKGROUND CHECKS, DRUG TESTING AND LICENSURE REQUIREMENTS

A Criminal Offender Records Information (CORI) review procedure has been implemented for students whose academic programs includes the potential for unsupervised contact with persons from vulnerable populations (i.e., children, the elderly and the disabled).

As part of the coursework in the Practical Nursing program, students are required to complete practical hours in clinical facilities working with patients under the supervision of licensed providers. Clinical sites may require the student obtain certain background checks (state/federal criminal or sexual offender), finger printing and/or drug testing before participating in the clinical experience. Costs for these reviews will be the responsibility of the student.

Refusing to participate in these background checks or drug testing will result in the inability to progress in the program. A positive background check or drug test may also result in the inability to progress in the program.

The prospective student is encouraged to discuss any concerns with the program director prior to acceptance into the Practical Nursing program. All screenings and background checks are completed AFTER admission/acceptance into the program.

Applicants for initial Massachusetts nurse licensure (RN & PN) must report felonies and misdemeanors, convictions and disciplinary action to the Board of Registration in Practical Nursing program for its evaluation of the applicant's compliance with the Good Moral Character requirement at FL, c.112, ss.74 and 74A. For details, refer to the Good Moral Character Information Sheet at mass.gov/dpl/boards/rn/forms/gmcreg.pdf.

By signing this application, the prospective student understands his/her responsibility to participate in and pay for these background checks/drug tests, if required by the clinical site. By signing this application, the prospective student also understands the consequences of refusing to test, or refusing to undergo the background checks.

ACCREDITATION

The Practical Nursing Certificate (PN) Program is approved by the Massachusetts Board of Nursing and is accredited by the Accreditation Commission for Education in Nursing (ACEN); 3390 Peachtree Road NE, Suite 1400, Atlanta GA 30326; 800-669-1656.

INFORMATION SESSIONS

The Office of Admissions offers monthly information sessions that will include program information and the admission process. Transcript evaluations are not conducted at these sessions. All students are required to attend a session before applying to the program. See listing of sessions by visiting our website at mwcc.edu/admissions or call us at (978) 630-9110.

QUESTIONS & ANSWERS

How do I make an appointment to complete my placement testing?

If you have not yet completed college level English and Math, your next step is to take the placement exam. Students may take the placement exam on any of our 3 campuses and options at each of those campuses vary. For more information, please check mwcc.edu/testing or contact Testing Services at 978-630-9244. If you completed placement testing in the past three years, these scores can be used if they meet the program requirements. An additional fee of \$10.00 will be charged for those individuals who request to retest. MWCC uses a variety of measures for course placement. Please visit <http://catalog.mwcc.edu/admissions/courseplacementoptions/> for a complete listing.

I haven't completed the coursework needed to apply to the practical nursing program yet. Can I still come to MWCC?

YES! Students are encouraged to enter the college as a "Interdisciplinary Studies Allied Health Concentration (IDSH)" student. In this major, you will be identified as a potential practical nursing applicant and will be assigned to an advisor who will assist you in establishing an educational plan. As a student in this major, you may complete any of your non-nursing courses.

When I complete the Practical Nursing Certificate, can I bridge to the A.S. Nursing program?

Once you have completed the certificate you will be eligible to sit for the NCLEX-PN exam. Once licensed and after six months of employment, you would be eligible to apply to the LPN to RN Bridge program waiving the need for you to complete NUR111. You would have to complete all first semester courses prior to bridging to semester two. At the completion of the PN program, you may be eligible to enter the AS Nursing program as an Advanced Standing Student and waive the need for you to complete NUR111. MWCC also has a transfer agreement with Labore College LPN - BSN.

How is my file evaluated?

Our practical nursing class is selected from a pool of applicants who have displayed the minimum academic requirements for admission to the program. Space is limited and not all applicants are accepted. Applications will be reviewed and candidates will be notified of the admissions decision by mail. The process is competitive and your file will be ranked using the following:

1. GPA for those courses applicable to the practical nursing curriculum (ie. English, Psychology, Essentials of Anatomy & Physiology, etc.)
2. Work experience in healthcare
3. College placement scores
4. CLEP Test Scores & AP Scores
5. Education background (prior AS, BS or MS degree)
6. Complete test of Essential Academic Skills (TEAS) (see testing website for scores)
mwcc.edu/testing

Can I work and attend classes full-time?

Practical Nursing coursework is complex and requires a personal commitment. Part-time employment may be appropriate, but hours will need to be flexible in order to accommodate school requirements. Students are encouraged to balance their employment and school responsibilities.

Where do I attend a clinical setting or placement, and how do I get there?

Practical Nursing students are responsible for their own transportation to clinical sites. Clinical sites are generally located within 75 minutes of the college.

Can I apply for Financial Aid?

Yes. Inquire at the Student Financial Services Office by calling 978-630-9169 or email sfs@mwcc.mass.edu.

I still have more questions, how do I get them answered?

Applicants are encouraged to attend one of the Practical Nursing Information Sessions. For a listing of dates, visit our website at mwcc.edu.

How do I complete the TEAS (Test of Essential Academic Skills) exam?

For information regarding the TEAS see the following website mwcc.edu/services/testing

You may register for the exam on-line at www.atitesting.com/

Additionally, what must I know?

- It is up to the applicant to read the Technical Standards and understand that it is his/her responsibility to discuss any accommodation that he/she may need by contacting the Counselor for Students with Disabilities at 978-630-9330.
- The applicant is responsible for ensuring that his/her application file is complete and that all items are received by the deadline.
- The applicant must read the statement on the nursing application packet regarding the CORI/SORI Policies. Practical Nursing students are required to complete this form at the PN Welcome Session in November. A court conviction may prevent a student from successfully completing the nursing program due to clinical site requirements and/or may prohibit them from taking the NCLEX-PN.

Transferring of Credits to MWCC

Note: All transfer courses must have been taken at an accredited college and must be approved for transfer credit through the Records Office 978-630-9106 prior to enrollment into the semester in which they are required.
