Delta Alpha Pi

International Honor Society

Delta Alpha Pi (DAPi) is an academic honor society founded to recognize high-achieving students with disabilities who are attending colleges and universities as undergraduate or graduate students.

Mount Wachusett
Community College

mwcc.edu

Greek Letters

Delta – D is for Disability, but also the triangle is a symbol of strength. Members of Delta Alpha Pi Honor Society demonstrate strength as leaders on campus to help break down the barriers of negativism.

Alpha – A stands for Achievement. Alpha is the beginning, and academic achievement must come first. **A** also stands for advocacy because students must advocate for themselves before they can advocate for others.

Pi – P represents Pride, pride in academic achievement and in other accomplishments, not just as students with disabilities, but as members of the college community. Also, Pi is a mathematical symbol that we all learned in elementary school, making it an appropriate symbol for education.

MWCC Chapter

The Delta Alpha Pi chapter at Mount Wachusett Community College is known as **Epsilon Theta**.

It was established in May 2017 to recognize students with disabilities for their academic achievements and leadership skills and to acknowledge their determination and perseverance.

Epsilon Theta chapter members will assist in promoting disability awareness and pride at MWCC by helping coordinate and participating in various activities on campus.

Criteria

In order to be a member students must:

- Present with a documented disability and work with one of the staff members of the Disability Services team.
- Demonstrate an interest in disability issues.

Undergraduate students must also have:

- Completed a minimum of 24 credits.
- Earned an overall Grade Point Average of 3.10.
