① ARTHUR F. HALEY ACADEMIC BUILDING

Newly renovated, the Arthur Haley building includes a new theatre entrance, state-of-the-art multi-purpose room, a new academic advising center and a refurbished student hub, just to name a few.

② THE LAFONTAINE FINE ARTS CENTER

The LaFontaine Fine Arts Center is home to the 515 seat community theatre, multiple art studios, and the East Wing Art Gallery which houses a breathtaking collection of work from graduating art students, visiting artists, and alumni.

③ ROBERT D. WETMORE CENTER

Built in 2004, the Wetmore Center features two levels of instructional classrooms, the Brewer Center for Civic Learning and Community Engagement, and staff offices.

④ DR. DANIEL M. ASQUINO SCIENCE CENTER

Built in 2016, the 44,000 sq. ft. STEM center includes eight new classrooms and laboratories, four lab prep rooms, 24 new faculty offices, student study space and interior glass walls to highlight STEM student innovation.

⑤ ADMISSIONS

We are a student-centered school with programs designed to help our students achieve their goals. Whether you are getting ready to graduate high school, an adult looking to return, a military veteran, or a high school student looking for a head start, we are here to support you! Learn more below, and feel free to reach out to our staff with questions!

⑥ THEATRE AT THE MOUNT

For over 45 years, Theatre at the Mount has been Central Massachusetts' premier regional theatre presenting high-quality entertainment at affordable prices. TAM's season consists of five full-scale musicals and plays, a spring children's show and a fall touring production performed at local elementary schools. Additionally, TAM offers Summer Drama Camp programs for children and teens and sponsors the TAMY award program, celebrating excellence in high school musicals.

⑦ MOUNT FITNESS

Mount Fitness is one of the largest fitness centers in the region. Our 65,000-square-foot facility includes:

- A six-lane, 25 yard swimming pool for lap swimming and swimming lessons
- More than 85 fitness programs for every level and ability
- Three full-size, indoor basketball courts
- Outdoor tennis and basketball courts
- A 440-meter outdoor running track
- Two regulation racquetball courts
- State-of-the-art weight training and cardiovascular equipment
- On-site childcare while you work out
- Summer sports camp programs

Since 1995, the fitness and wellness center at the Mount has been open to the public with affordable memberships for individuals and families.

⑧ GREENHOUSE

The newly built, 2,300 sq. ft. state of the art greenhouse is home to our natural resources program along with the beautiful annual display of plants and flowers. Drive by campus during the evening and you will be amazed by the purplish glow produced by the greenhouse's LED multispectrum sustainable lighting which can be adjusted, depending on the plants and the timing.

⑨ GARRISON CENTER FOR EARLY CHILDHOOD EDUCATION

The Garrison Center for Early Childhood Education is a lab school and consists of two preschool classrooms which are run by the Making Opportunity Count (MOC). In the center of the building, Early Childhood students attend class in the lab classroom. This room fits in between the two preschool classrooms so Early Childhood students can observe through the one-way windows. The sound system allows them to observe one classroom at a time.

⑩ GREEN STREET CAFE

Whether you're just looking to grab a quick coffee to-go or want to sit down to a hot meal with friends, Green Street Café has a wide variety of options throughout the day! When the cafeteria is not open, there are a variety of vending machines located in the dining hall and in the student center.

⑪ LACHANCE LIBRARY

The LaChance Library cultivates discovery and exploration for students, faculty, staff and the extended community by providing users with equitable access to innovative services and diverse resources in a personalized environment that supports research and inspires lifelong learning.

⑫ CAMPUS POLICE / BOOKSTORE

MWCC Police Officers are available for security escorts and for legal and personal advice, within the scope of their expertise. They work closely with the college's counselors and nursing department to assure that the legal, physical, and emotional needs of the community are met.
