The David G. Wyman, Jr. Scholarship Fund

Dave Wyman was a professor of English at MWCC for twenty years and the author of two books of poetry: *Proletariat Sunrise* and *Violet Ideologies*.

Dave passed away unexpectedly in 2022 and is greatly missed.

A poet, a rebel, a father, a colleague, a defender of the underdog, Dave would be thrilled to know that the award his family started in his name honors the talents of aspiring student poets.

*Let's say the world, say a world
then.*

*Not a world narrow as a binary
with us always at its top...OK,*

*but maybe dolphins will succeed
where we have failed.*
