CENTER FOR CIVIC LEARNING &
COMMUNITY ENGAGEMENT

*The Brewer Center for Civic Learning
& Community Engagement*

At the Brewer Center, we believe education
extends beyond the classroom.

Through service learning, civic action, and
community partnerships, students connect
their academic work to real-world impact-
strengthening both their learning and the
communities they serve.

Today, we celebrate the dedication,
leadership, and commitment of students
who have chosen to show up, give back,
and make a difference.
