VERY IMPORTANT

Federal Financial Aid Credit Authorization

If you are awarded financial aid you may be eligible for a refund due to financial aid in excess of your tuition and fee charges based on your aid eligibility and enrollment status. Under federal regulations you may authorize Mount Wachusett Community College to apply any excess funds to pay other charges that may be assessed to your student account (e.g.; health insurance, bookstore vouchers).

If you do not authorize Mount Wachusett Community College to apply your excess funds to pay other billed charges, you will not be eligible for a bookstore voucher and you will not be cleared of your financial obligation until all other charges have been paid in full prior to the due date.

ANY UNPAID CHARGES MAY RESULT IN YOUR CLASS SCHEDULE BEING CANCELLED

I have read the above statement and I authorize Mount Wachusett Community College to apply the excess funds to pay other charges that may be assessed to my student account and/or pay a prior semester balance. I understand that any excess funds, which have not been applied to other charges, will be refunded to me.

Signature

Date

You may rescind this authorization, in writing, anytime prior to incurring such charges. Otherwise the authorization is valid for both current and future academic periods. Please return your signed and dated authorization to the Business Office.
