This image contains text that describes the programs and opportunities available at Mount Wachusett Community College, including details about the degrees and certificates offered, MassTransfer, and contact information for various offices. It also includes a legend to help understand the designations used in the booklet.
Early Childhood Education
Career Degree
Transfer Degree
Pursue careers working with young children as teachers or administrators in preschools, Head Start programs, daycare centers, and home care programs. Become an important decision-maker and play a key role in children’s lives. Learn about child development, planning curriculum, program management, and working with diverse families. The Early Childhood and Elementary Education Compacts make the transfer process seamless to four-year college and university teacher preparation programs to become certified to teach nursery school to grade two.

General Studies
Degree
If your career and educational goals are not yet firmly defined, the General Studies program provides a flexible curriculum allowing you to explore many different disciplines. If you plan to transfer to a four-year college or university, you should consider the Liberal Arts & Sciences degree.

Liberal Arts & Sciences (LAS)
Degree
Consider the Liberal Arts & Sciences program or one of its tracks if you intend to transfer to a four-year college or university. Through a wide variety of electives, the LAS degree gives you the flexibility to choose courses that fit your interest. You will also gain a strong educational foundation for transfer to a four-year college or university.

They’re here to help you succeed
“Through my professors and their instruction, I received a solid foundation with the science, math and English requirements I needed to continue on for my bachelor’s degree.” - Nick Costello
Learn more about our students’ experiences at mwcc.edu/learn/stories

LAS - Communications
Track (LAC)
Become equipped with the field of communications and a variety of mass media subject areas. The LAC curriculum provides an excellent overview of the communications field and a solid foundation for transfer to more specialized communications programs at four-year colleges and universities.

LAS - Elementary Education
Track (LAEL)
This program satisfies the requirements of the Massachusetts Board of Higher Education Elementary Transfer Compact for transfer to a state college or university bachelor’s degree program. After graduating with a bachelor’s degree, you could become an elementary school teacher.

LAS - Exercise & Sport Science
Track (LAX)
Prepare for careers in personal training or for transfer into a related degree program at a four-year college or university. Pursue a career as a fitness leader, instructor, lifeguard, or personal trainer. You will learn about aquatics, personal safety (including CPR), organizational and legal considerations of the fitness industry, and practical applications of individual and group fitness.

LAS - History & Political Science
Track (LAHP)
This program is for those who want a strong background in history and political science and plan to transfer to a four-year college or university to pursue a degree in history, political science, or government. With a bachelor’s degree, you may pursue careers in government or politics, teach history/political science, or go on to earn a master’s degree in public policy, management, or a juris doctor degree to practice law.

LAS - Theatre Arts
Track (LAT)
This program provides a comprehensive introduction to theatre, music, and dance, and is an excellent foundation for transfer to theatre and music programs at four-year colleges and universities. Students in this program also benefit from opportunities to perform in award-winning Theatre at the Mount productions, to gain hands-on experience working in Theatre at the Mount’s fully equipped scene shop, which includes state-of-the-art lighting and sound equipment.
